

NEW - Individual Membership now available!

Individual Membership

- Do you join ICC meetings and events and would like to get discounts on registration?
- Would you like to consult with experts in cereal science and technology?
- Would you like to get more involved in ICC activities e.g. in the ICC Working Groups?
- Do you want to showcase your professional skills to the cereals community?

If you said yes to any of these questions, then an ICC Membership is the right thing for you! In addition to the ICC Country, Corporate and Institutional Membership, ICC now also offers a new ICC Individual Membership. See all the benefits and the link to online subscription under

<https://www.icc.or.at/members/individual>. Sign up today and join the ICC family!

Global Miller's Symposium - Register now!

**Global Miller's
SYMPOSIUM**
20. – 21. April 2017
Hamburg, Germany

The World of Milling will be meeting from 20-21 April 2017. We most warmly invite you to the first Global Miller's Symposium "Exchange of knowledge between international wheat millers" in Hamburg, Germany!

This symposium is designed for professionals of the milling industry, scientists, members of ICC and cereal executives. Representatives from all continents will share their knowledge on trends in the global wheat market, flour treatment and fortification as well as new baking applications.

Selected Symposium topics will be:

- Market: Risk reduction by hedging
- Grain research & quality: The potential of growing wheat in sub-Saharan countries and other regions
- Quality determination tools: At-line determination of flour fortificants
- Health & fortification: Does wheat make you sick?
- Culture, cultivation, climate & collection: Cultivated wheat – wheat culture
- Flour quality, processing & improvement: Lipase-treated wheat lipids and their effects in bread-making
- Coping with the ban of azodicarbonamide
- Improvement of pasta flour

Registration is now open! Early birds - registration by 23 December - and ICC members may benefit from discounted registration rates!

Find more programme and event details and the online registration at www.global-millers-symposium.com. We look forward to welcoming you in Hamburg!

1st Asia-Pacific Grains Conference, 21-24 May 2017, Xiamen, China

This event held in Xiamen, China from 21-24 May 2017 will be the first of the new ICC APAC Series for the Asia-Pacific region and will address among other topics eastern traditional foods, green technologies for grain storage, healthy grains, global food supply chain, non-food-use for grains,...

Stay tuned for more conference details under <https://www.icc.or.at/events/apag2017>.

Whole Grain Summit 2017 - Become a sponsor!

Whole Grain Summit 2017 - "Targeting the future of whole grain" - Vienna, 13-15 November 2017.

WGS 2017 will be a summit that makes a difference! Not only will WGS 2017 bring together world-renowned experts to present the latest insights into whole grains, there will be carefully prepared cross-disciplinary discussions on how to use these insights to help increase consumption of whole grains, and networks established that will be followed up after WGS 2017 to ensure that the discussions have a meaningful and lasting impact.

Take this unique opportunity and become a sponsor! Company sponsorship will show commitment for developing and marketing healthy grain based products and will also facilitate your interactions through pre-summit preparatory activities. Find more details about the topics that will be addressed and an overview of sponsorship packages under www.wholegrainsummit.com.
